

Scenes from the Shop

Sliding Door Storage Cabinet. If you want to make the best use of a small amount of space, this storage cabinet is just the thing. Pegboard makes it versatile and the sliding doors make for easy access. Detailed plans start on page 22.

Band Saw Resawing. Turning thick boards into thinner boards on the band saw doesn't have to be a major production. With a couple of simple jigs and the shop-tested technique beginning on page 20, it's a quick, easy job.
